### **Inspiration**

Before I say goodbye and bow again to the eternal within you, I'd like to give you the words of one of my favorite neighborhood songs. This song is called "It's You I Like."

*It's you I like; it's not the things you wear.*

*It's not the way you do your hair, but it's you I like.*

*The way you are right now, the way down deep inside you*

*not the things that hide you, not your diplomas ... they're just beside you.*

*But it's you I like, every part of you; your skin, your eyes, your feelings, whether old or new.*

*I hope that you'll remember, even when you're feeling blue, that it's you I like, it's you yourself, it's you, it's you I like!*

Congratulations to you all.

—Fred Rogers, from his commencement address at Marquette University,  
May 20, 2001
