

# Checklist For May 21 Spring Cleaning

- Wash helmets on the rack near the playground.
- Pick up trash all around.
- Scrape top rails of steps to playground. Repaint
- Sort lumber pile outside BEAN. Save boards and usable lumber. Stack near pavilion.
- Clean tubs outside of BEAN . Just spray with a hose. Take down for R4R.
- Wash windows (Exterior & Interior) from Choir room to the office complex.
- Move car hood (used for parking lot camp fire) from side of lower parking lot to the back of the garden shed.
- Replace hinges on door of garden shed.
- Sweep/pickup grit left by parking lot sweeper.
- Repair arm of bench by upper side door to church.
- Moving bench to off-shoot viewing area of the upper/side parking lot.
- (May want to change out this bench for the one on the lower (outside) entryway.
- Gather snow shovels from entrances and store in Blue Shed
- Put out brooms at entryways.
- Dig down new soil (1 ft.) at edge of office area in preparation for metal flashing.
- Scrape and paint light boxes by road sign.
- Clip brush from slope at edge of upper parking area for a better view.
- Snip brush around playground fence.

- Thin brush on slope to above playground to decrease "hiding" areas.
- Cut birch trees between the Choir room and the steps to the playground.
- Set out hoses for summer use.
- DON'T thin/prune spuse between parsonage and church until spruce bark beetle season is over!
- DON'T eliminate MayDay trees while groups of people are around. These will require not only cutting, but an application to a herbicide to keep them from sprouting again.
